## LETTER OF RECOMMENDATION

As the Founder of NOT@MRP, I had the privilege of working closely with Vikas Kumar Garg, who played a key role as a Flutter Developer in our team. Vikas demonstrated exceptional technical expertise and a problem-solving mindset, helping us build and improve our mobile app. His dedication, willingness to learn, and ability to adapt to challenges made a significant impact on our project.

Beyond his technical skills, Vikas is a team player who communicates effectively and collaborates seamlessly with colleagues. He consistently explored new ways to enhance app performance and improve user experience. His proactive approach and strong work ethic made him an invaluable asset to our company. I have no doubt that he will bring the same level of commitment and excellence to any organization he joins.

I sincerely wish him success in his future endeavors.
